India’s renowned textile manufacturing and trading hub

1. COMPANY PROFILE

Triveda Exports is an India-based **Merchant Exporter and Trader of Terry Towels and Home Textile Products**, located in Solapur, Maharashtra — one of India's established textile hubs.

We connect international buyers with reliable Indian textile supply, offering carefully sourced products, commercially competitive specifications and professional export coordination.

Our principal focus is on **Terry Towels and hospitality-oriented textile products**, serving importers, distributors, wholesalers, hotel-supply companies, hospitality businesses, retailers and institutional buyers.

With an export-oriented approach, we aim to establish **long-term, transparent and mutually beneficial business relationships** with customers across international markets.

---

2. WHO WE ARE

At Triveda Exports, we understand that international textile buyers require more than a product. They need:

- Consistent product specifications
- Reliable sourcing
- Competitive commercial terms
- Professional communication
- Proper export documentation
- Flexible order requirements
- Timely coordination
- Quality-focused supply

As a merchant exporter, we work with established Indian textile supply partners to source products according to buyer requirements and coordinate the export process professionally.

Our objective is to make sourcing from India **simple, reliable and commercially efficient** for overseas buyers.

6. OUR EXPORT APPROACH

Our approach is based on understanding the buyer's exact requirements before proceeding with commercial discussions.

Requirement Understanding

We first understand the buyer's desired product, material, GSM, size, colour, design, packing, quantity and destination-market requirements.

Product Sourcing

We coordinate with suitable Indian textile supply partners to source products according to the agreed specifications.

Quality Coordination

Product specifications are reviewed against the buyer's requirements before shipment coordination.

Commercial Coordination

We work toward commercially competitive quotations based on product specifications, quantity, packing and destination.

Export Documentation

We coordinate the necessary commercial and shipping documentation required for the export transaction.

Shipment Coordination

We coordinate with relevant logistics and shipping partners for smooth movement of goods.

---

7. QUALITY COMMITMENT

Quality is an important part of our export philosophy.

We focus on:

- Correct product specifications
- Appropriate GSM and dimensions
- Fabric and towel construction
- Absorbency requirements
- Finishing quality
- Stitching and hemming
- Colour consistency where applicable
- Packing requirements
- Buyer-specific specifications

Where required, product specifications, samples and inspection arrangements can be discussed before order confirmation.

---

8. WHY SOURCE FROM INDIA?

India has a long-established textile ecosystem with extensive capabilities across cotton textiles, terry products, home textiles and hospitality linen.

As an Indian merchant exporter based in **Solapur, Maharashtra**, Triveda Exports is positioned to connect international buyers with India's textile supply network.

We offer buyers:

Indian Textile Sourcing
Access to established Indian textile supply capabilities.

Product Flexibility
Specifications can be discussed according to market and buyer requirements.

Competitive Sourcing
We seek commercially competitive sourcing solutions based on order specifications.

---

9. SOLAPUR — OUR TEXTILE BASE

SOLAPUR, MAHARASHTRA, INDIA

Solapur is widely recognized for its textile heritage and established textile ecosystem.

The region has a strong association with cotton textiles, towels, home textiles and related products.

Being based in Solapur gives Triveda Exports proximity to an important Indian textile sourcing network while allowing us to serve customers in domestic and international markets.

---

10. OUR BUSINESS VALUES

QUALITY

We focus on meeting agreed product specifications and maintaining quality-conscious sourcing.

RELIABILITY

We value dependable communication, transparent commercial discussions and responsible order coordination.

FLEXIBILITY

We understand that different markets require different product specifications.

TRANSPARENCY

We believe in clear communication regarding products, specifications, pricing, documentation and shipment arrangements.

LONG-TERM PARTNERSHIPS

We seek repeat business and sustainable relationships rather than one-time transactions.

CUSTOMER FOCUS

Every export enquiry begins with understanding the customer's actual requirement.

---

11. INTERNATIONAL BUSINESS DEVELOPMENT

Triveda Exports is actively looking to develop business relationships with buyers across international markets, particularly in regions with established demand for:

- Hotel Towels
- Bath Linen
- Terry Towels
- Spa Linen
- Hospitality Textiles
- Home Textiles

We welcome enquiries from established importers and distributors looking to source textile products from India.

For suitable orders, we can discuss customized requirements such as:

- Buyer-specific sizes
- Customized GSM
- Custom colours
- Customized borders/designs
- Embroidery
- Woven labels
- Printed labels
- Customized packaging
- Private-label requirements

All customized requirements are subject to product feasibility, order quantity and mutually agreed specifications.

---

13. SAMPLE & ORDER PROCESS

STEP 1 — ENQUIRY

Buyer shares product requirements, quantity and destination.

STEP 2 — SPECIFICATION DISCUSSION

We confirm material, GSM, size, colour, design and packing requirements.

STEP 3 — QUOTATION

A commercial quotation is prepared according to the agreed specifications.

STEP 4 — SAMPLE / APPROVAL

Where applicable, samples or product details are provided for buyer evaluation.

STEP 5 — ORDER CONFIRMATION

Commercial terms, specifications and delivery requirements are mutually agreed.

STEP 6 — SOURCING & QUALITY COORDINATION

The product is sourced according to the confirmed requirements.
